THE THINGS TO COME IN THE WORLD OF THE 15-YEAR-OLD BOY. ENTERING SCHOOL, HIS FIRST...

15 years ago the limit of this country's low fertility had been reached.
During the years of that limit, a slight success was achieved... That would be us.
The number of live births had only amounted to two digits, sometimes one... The details had not been released to the public.
It was only ten years after that children started being born again but...
Thank you very much.
We, who are turning 15 this year...
サクラサクラ

サクラサクラ

SAKURA SAKURA

For some reason, we are called the "Last Generation"

If the sakura blooms

During my time as a first year student ♡

That will make the near future nostalgic!?

SEINAGI SCANLATIONS

Morishige

Today starts my dream school life!!
Alright!
But this uniform ..
It's the one they used to wear in school dramas... The gakuran
YAHOO~

For as long as I can remember the only people around me had all been older than me
I guess it was to be expected but those adults raised me and gave everything I needed and wanted.
We don't make apples or machines! We make humans!!
Remember you are not rotten apples!
As a person, I understood that that wasn't the right way to raise a child

Classmate
Classmate
Classmate
Because of that, ever since I was born, I've never met a "classmate" before.
Classmate
Classmate
Classmate
Today, I'll meet those classmates!
!
Is it this room!?
Excuse me-

!

Where are the other classmates...
キョロ
キョロ
A girl... Alone!?
Must be disappointing for you, since I'M the only one here.
I'M Himeshiro... Himeshiro Sakurako. Nice to meet you.

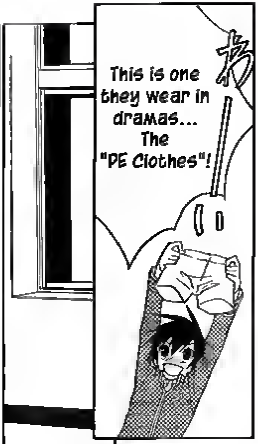
Ah.
I'm Hanasaka Haru. Haru is written with the kanji for Spring, the season.
Nice to meet you.
I never realized that a classmate's hand could be this soft and slim...
Wait! Come to think of it, this is the first time I've ever touched a classmate's hand!
BA-THUMP BA-THUMP
By the way, Hanasaka-san ...
Uwa... What do I do? My mind's blanking out...

Aah, I'm sorry!
WIPE WIPE
Would you please let go of my hand already?
Yes, what is it?
I can kind of imagine what you're thinking, but there's no need to worry about that.
Does that mean we'll spend these three years with just the two of us?
But, if this girl's my only classmate ..
9
Because I'M not cheap.
EH

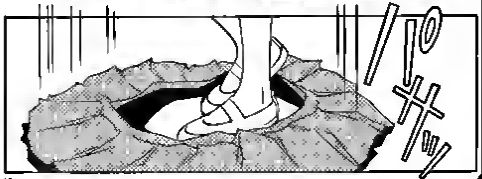
When I graduate from this school, I'm going to get married right away.
Rich people and magnates from all around the nation will come to court me.
The value of the male "LastGen" are non-value-added. I don't know how much you have but...
Presently, it only reaches up to the list's lowest seat.
I see! That's so expensive!
So try not to make any weird mistakes, okay?
.....
Why is this so different from the classmate I imagined...
My dream feels like it's breaking...

Oh, there you two are.
I'm your adviser, Tadano.
I'm sorry for this, but the opening ceremony will be tomorrow.
Today, could you attend your PE class?
Eh...?
Ha...
Okay, then. See ya.
Hanasaka-kun, do you have any experience with school?
No, none...
But I researched on "high school" so I know a lot!
Then I guess you understand, so could you please leave this room?
I want to change to my sports wear.
Ah. I'm sorry.

What the heck is this... It doesn't look very functional.

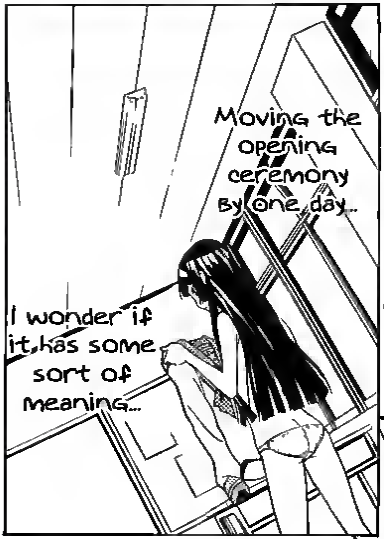


This is one they wear in dramas... The "PE Clothes"!



パサッ

12



Moving the opening ceremony by one day...
I wonder if it has some sort of meaning...

And I take off my bra

But still...
These clothes and that uniform
Just how much will they push their nostalgia on us?
Those damned old people!
*Whoa! This is awesome!
I can't get enough of this!

Wanna play together?
Oooh! A soccer ball!!
Hey, did you know?

During the PE lessons they had before...
That's why I won't play.
It's up to the girl whether she wants to join or not.
Now that you mention it, they did have a scene like that...
But then...
I kinda wanted to try it on.
Why did you even change clothes?

Even though I finally met a classmate...
How should I get along with her?
But you know, you're...
You're natural.
Natural?
Yeah.
Is that good?
Don't just go along with what I say.

It's the first time I've ever met someone like you...
Besides, "LastGen" kids are usually selfish, or disabled...

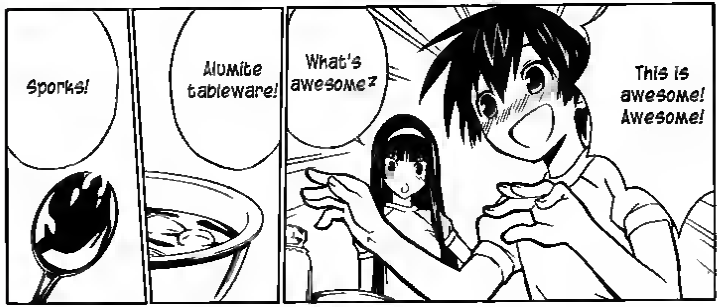
You really think that?
I'M SO envious!!
Does that mean you've met other classmates!?

If it was supposed to be that Pun ...
Ah!
That's my dream!
But it's Pun being surrounded by classmates right?
Then you won't find it
In a place like this!!

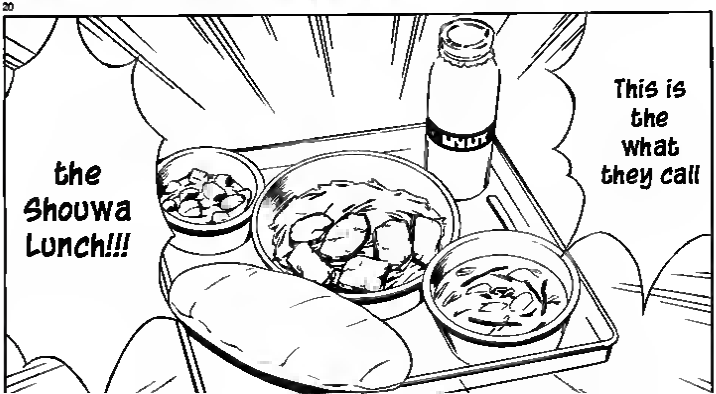
What's this...?
A surveillance camera.
There too.
There too.
There too.
Why...?
Geez! In what kind of environment were you raised in!?
Us "Lastden" are kind of like an endangered species.
If something happens to us, even cutting off the head of the one responsible wouldn't be enough.
Even this PE class... Whatever the two of us say, whatever the two of us do...
It's like they're watching animals. Monitoring, watching, all the time.

Hey!
Isn't that the truth!?
Geez! Don't you have any sense of tension at all!?
If you think of it like that, it just feels ridiculous to go along with it... I'm going back to the classroom.
Ahaha. Sorry.
I didn't eat breakfast, so...
GRUMBLE
By the way, I wonder what we should do for lunch...
I didn't bring a lunch box, though.
How should I possibly know!?

Whoa!
What is this? Why are the desks like this?
We have prepared lunch for you. Let's get along and eat together
Haa



Sporks!
Alumite tableware!
What's awesome?
This is awesome! Awesome!



the Shouwa Lunch!!!
This is the what they call

MUNCH
MUNCH
Change clothes ...
I want to change clothes...
DEEEE-LICIOUS!
21
Eat AFTER I change! Hurry up and get out!!
Geez...
Wasn't lunch prepared only until middle school?
.....
Oh. It's delicious.

HAA...
You want to know about me?
It's such a rare chance that we became classmates!
I think we should know more about each other!
SO! close
Why did you come to this school?
Like I said, you're too close.
I don't know... What about you?
I don't know...
GEEZ
.....

You like things from the olden days, huh?
Yeah, I love them!
I've even watched all the school dramas they have on the internet!
Reality is different from dramas.
Besides, things from so long ago wouldn't apply to us.

So you do understand how things are in reality...
I know that much...
But in TV and on the internet, everything is aimed for the old people...
There's so few shows aimed for youth, and no one would make any...
Anyway, you have too many illusions about classmates.
Don't push those weird illusions onto me.
PING
PONG
PANG
PONG
This is your adviser, Tadano~ We'll clean up afterwards so leave it as it is...
Class is now dismissed~!
Let's go home.

What do you know about me!?
Cheer up already... It's not like you.

I was happy... My first school...
My first classmate...
And yet you...

Really!?
Fine... I'll tell you about myself.

Why are you following me?
How should I know! I'm just following the directions on this map!!

!
About my dream.

Someone like me may not be able to do it but...
Will she say something like "But I will definitely do it"?
H-H-H

From now on, take everything she says and get the opposite meaning
that's what she really

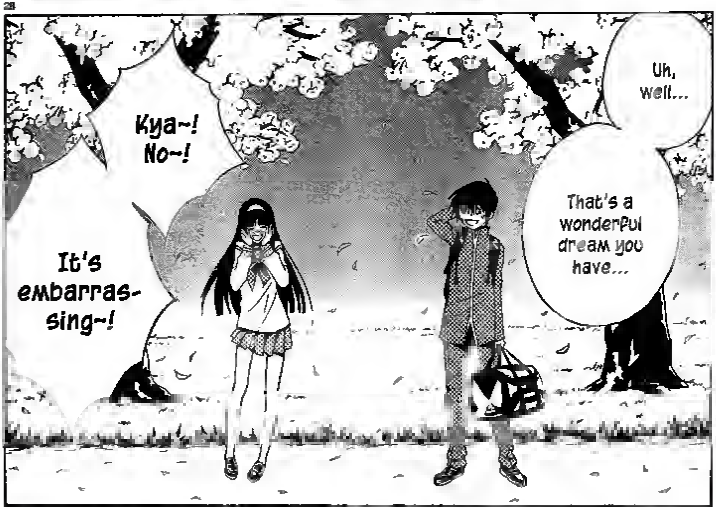
My dream is...
For the old people to use up their life span, even just one day earlier...

Wh-wh-What did she saaaaaay!?
"My dream is for the old people to... even just one day earlier... suffer..."!?

Hanasaka-kun!
Could Himeshiro-san actually have some dangerous ideas...!?

28



Kya~! No~!
It's embarras-sing~!
Uh, well...
That's a wonderful dream you have...

But the only one I've ever told this to
Is you, because I thought that you're someone I could trust.
Eh?
But, why...?
Because I...
don't hate you.

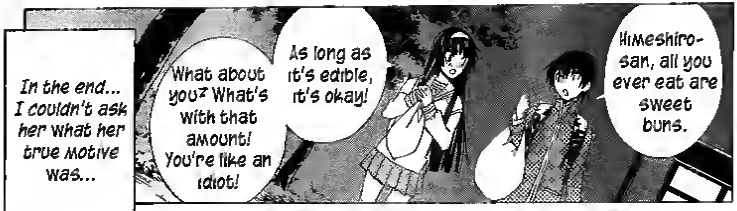
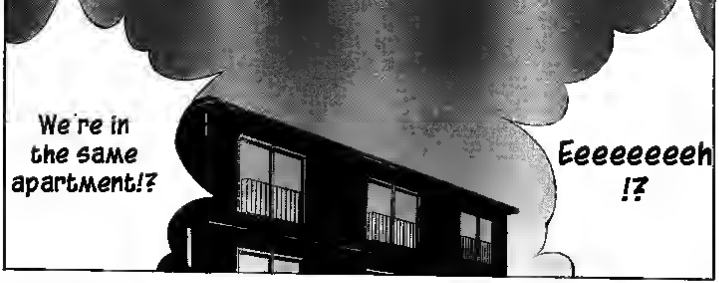
Oh, yeah.
I've got to stop by the convenience store.
Why?
"Why?" I still need to buy food for dinner and breakfast...
You always think about food.

31



Himeshiro-san, all you ever eat are sweet buns.
As long as it's edible, it's okay!
What about you? What's with that amount! You're like an idiot!
In the end... I couldn't ask her what her true motive was...



We're in the same apartment!?
Eeeeeeeeh !?

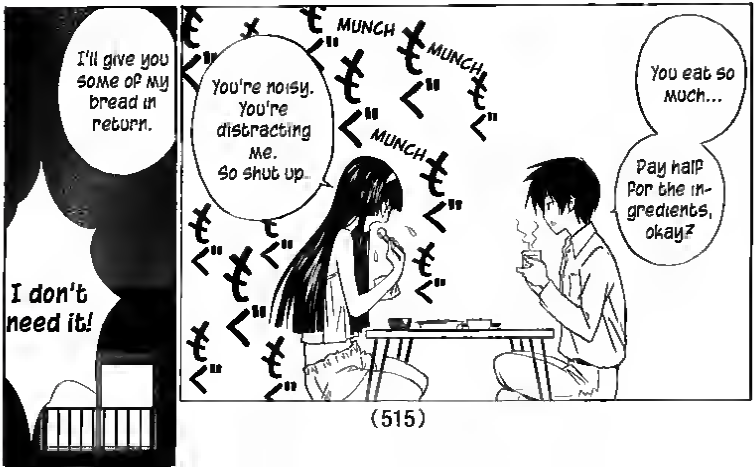
We've got neighboring rooms!?
That's my line.
Eeeeeeeeh !?

I-I won't do that!!
Don't even think of trying to do weird stuff. I'll know.
Shut up! I can hear your voice from here!!
Ah, sorry.
I was thinking of making dinner...
Refridge-rator, okay.
Gas, okay.
Seems like summer will be quite harsh...
No aircon, huh?

What is it this time!?
As long as you can sleep in a house, that's enough.

What is this smell!?

33



I'll give you some of my bread in return.
I don't need it!
You're noisy. You're distracting me. So shut up.
MUNCH
You eat so much...
Pay half for the ingredients, okay?

Right now, more and more Newgen kids are being born, right?
Then it'll be like old times, for sure. All lively...
IF it was that simple, I wouldn't be suffering like this.
Eh? What do you mean?

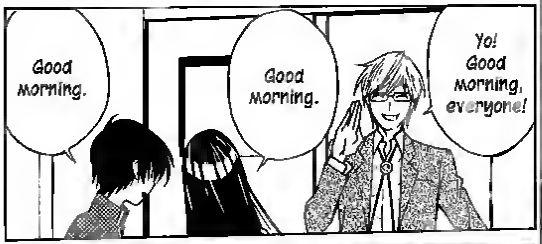
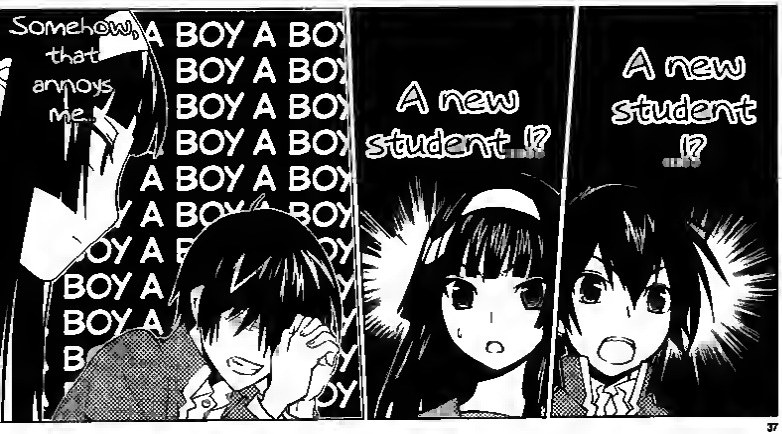
There's three desks...



Yo! Good morning, everyone!
Good morning.
Good morning.

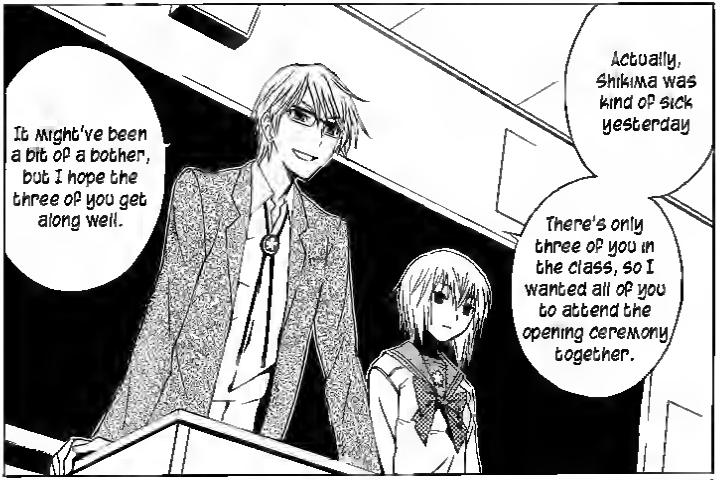
Sorry for not introducing myself properly yesterday.
I'm this class's adviser, Tadano. High grades, great athlete
On top of that, good-looking! But that's "Tadano-sensei" for you-
Just kidding~

Shikishima, come in...
Yeah... I'm going to introduce to you a new student.
Sensei, what's this desk for?



Somehow, that annoys me.
BOY A BOY
A new student !?
A new student !?

It's another girl...!!
A girl...
NOOOOOOO
Blonde hair...
Crimson eyes...
Geez, what kind of 2D character is she.
Still, she seems somewhat unreal...



It might've been a bit of a bother, but I hope the three of you get along well.
Actually, Shikima was kind of sick yesterday
There's only three of you in the class, so I wanted all of you to attend the opening ceremony together.

This girl is also probably...
Daaaamn... If only it were a guy...
We could stand against Himeshiro-san together...
It's for my dream school life!
B-But I won't lose!

I-I'm Hanasaka Haru! Nice to meet you!!
What are you, in elementary?
Don't lose, Me!!
Completely Ignore
49
What happened to your positive outlook?
Looks like this is gonna be difficult...
Don't lose, Me...
Don't lose, Me...
It's only the second day of my school life, but I don't think I can go on...

IN THE NEXT ISSUE, HIS FIRST CLASSMATE AND HIS FIRST OO!?
